INVITATION

Dear Colleagues

It is our great pleasure and privilege to invite you to join the H-Alive (Hybrid Aortic Live Symposium) & IVDT (Interactive Vascular Diagnosis and Treatment), which will be held at the Grand Walkerhill Hotel in Seoul, Korea on September 16~17, 2021.

A unique perspective of H-Alive/IVDT is its interactive nature. The audience is encouraged to participate throughout the event in order to enhance learning. The program activities will be led by experts and distinguished speakers from different countries and will focus on the management of the vascular patients. It will offer a great variety of recorded live procedures, clinical case presentations and live ultrasound scanning of patients with different vascular pathologies and live interventions as well.

Our prospective audience includes vascular specialists (Vascular surgeons, Cardiovascular surgeons, Interventional Radiologists, Interventional Cardiologists), vascular technologists, physician assistants and other healthcare professionals. The H-Alive/IVDT will also include scientific exhibition, where leading companies will display state-of-the-art products relevant to the delivery of quality patient care.

On behalf of the Organizing Committee, we look forward to seeing you at the 2021 H-Alive/IVDT in Seoul, Korea!
